

SOUTHWESTERN FEDERATION OF ARCHAEOLOGICAL SOCIETIES 50TH ANNUAL SYMPOSIUM

SOCIAL ACTIVITIES

Members of the Panhandle Archeological Society plan to commandeer several tables beginning at 5:00 pm on Friday at **Thundering Buffalos**, a restaurant and bar located between the Best Western and the Holiday Inn Express at **2811 4th Avenue in Canyon**. See the location map below. We will either be inside or out on the patio, depending on weather conditions and other patrons. We hope that the early arrivals among you will join us for a drink, perhaps for dinner, and definitely for some conversation.

We have also reserved a room there at 7:00 pm on Saturday for those of you that will be staying over and would like some dinner company and more conversation. More information about this will be announced during the Symposium.
